VOLUME 120...JANUARY TO JUNE, 1938

Jan. 6 ..... 1- 38
Jan. 13 ..... 39- 90
Jan. 20 91-124
Jan. 27 125-160
Feb. 3 161-194
Feb. 10 195-244
Feb. 17 245-280
Feb. 24 281-314
Mar. 3 315-348
Mar. 10 349-382
Mar. 17 383-416
Mar. 24 417-450
Mar. 31 451-484
Apr. 7 485-520
Apr. 14 521-554
Apr. 21 555-600
Apr. 28 601-632
May 5 633-664
May 12 665-696
May 19 697-728
May 26 729-760
June 2 761-794
June 9 795-826
June 16 827-858
June 23 859-888
June 30 889-902

A

ACCOUNTING
Cost-keeping system for small contractors. C. V. Hobaugh *433

AERONAUTICS
Airports:
Municipal airports cost money 617
New York airport on muck base with ash fill e770, *779
Salt Lake airport described *29
Hangars:
Hangar doors. J. F. G. Ellard 1 255
Zeppelin hangar in Germany fails ... n527
Air conditioning:
Water consumption (A.W.W.A. meeting) 673, e674
Aldrich, Herbert W., dies n488
American Concrete Institute:
Fall report of Chicago meeting *374
Report of Chicago meeting n318, e325
American Engineering Council:
Public forums planned n599
Washington meeting n94
American Railway Engineering Assn.:
Chicago meeting n422
Report of convention 478
American Road Builders' Assn.:
Cleveland convention 143
Officers elected n*130
American Society of Civil Engineers:
Jacksonville meeting n606, 657
New York meeting n128, 186
St. Louis section celebrates golden anniversary n356
American Water Works Assn.:
New Jersey Section meeting n312
New Orleans convention n636
New Orleans meeting ..... *691, pt 2 722
American Wood Preservers Assn.:
Chicago meeting 190

AQUEDUCTS
Colorado River:
Bonds sold n483
Distribution system headworks (unit prices) ..... May 19 adv. 22
Excavation started in Los Angeles ... n199
Financing completed n483
James Munn resigns n*165
Last of above ground work completed n759
Owens tunnel—removing carbon dioxide *885
Rockdale Tunnel started n671
San Jacinto Tunnel strike still on ... n195
Delaware River Aqueduct (New York City):
Bids on three tunnel sections on second letting n456
Contracts let n665
Enjoined by court n607
New York Board is sued on contract. n733
Tunnel work to be readvertised n250
Water tunnel (unit prices) ..... Apr. 14 adv. 20
Associated General Contractors:
French Lick, Ind., meeting n734
Present and past presidents n281
Washington convention n252
Association of Highway Officials of North Atlantic States:
Atlantic City meeting 336

AWARDS
Capen receives G. W. Fuller award at A.W.W.A. meeting n312
Edison medal awarded to Gano Dunn .. n35
Kelvin medal awarded to Sir Joseph Thomsaon n759
Washington award to be presented to Dr. F. B. Jewett n34, n695

B

BEAMS
Beam deflections. F. P. Witmer 1*493
Beam shear and net area. Theodore Doll 1 736
Highway bridge has 217 ft. girder. Jack Singleton *725
Influence lines by moment distribution. F. Kruys *112
Shear and net area. Theodore Doll ... 1 672
Stiffness of beams. Robins Fleming .. 509
Tests on short beams indicate that shear depends on net area. Mount & Welch *546
Bins:
Wall pressures measured by instrument. J. R. McCalmont *619
Timber storehouses built for mine refuse fuel *402

BLASTING
Blasting pole holes. Arthur LaMotte .. 791
Cutting piles by blasting. B. F. Perry .. 78
Tool for driving blast holes in soft earth. L. F. Livingston *116

BONDS
Belleville, Ill., entitled to only one premium n834
Cities save money by using callable bonds 275, 812
Colorado River aqueduct bonds sold .. n483
Labor and material bonds required in New York n456
Muskingum bond issue is enjoined n354
New York may drop performance bonds. n164
New York State bond interest not to be figured as part of total cost, rules Supreme Court n159
Pennsylvania turnpike bonds are sold. n389
PWA bond sales realize large profits .. n599
Seattle port bonds held illegal n316
Utah court upholds revenue bonds n761

BOOK REVIEWS
A B C of municipal bonds. L. S. Lebenthal 752
Accounting principles for engineers. Reltell & Van Sickle 628
Administration of federal grants to states. V. O. Key, Jr. 628
Air conditioning in summer and winter. R. E. Holmes 887
American planning and civic annual, ed. by Harlean Janes 157
Boulder Canyon project, final reports ... 887
Die statie im eisenbetonbau. Kur Beyer 628
Engineering valuation. Marston & Agg 157
Golden Gate bridge 888
Heating, ventilating, and air conditioning fundamentals. W. H. Severns 887
Heating, ventilating, and air conditioning guide 887
Hydraulic structures. A. Schoklitsch .. 752
Hydro and aero-dynamics. S. L. Green 629
John Phoenix, Esq., the veritable Squibob: life of G. H. Derby. G. R. Stewart 887
Making and testing of plain concrete. Trozell & Davis 391
Municipal snow removal 480
New hydraulic laboratories and their work. R. Ruedy 480
Old man river speaks. L. T. Berthe ... 157
Parkways and land values. Nolen & Hubbard 306
Physical economic and social aspects of the valley of the Kaskaskia River 306
Practical treatise on chimney design. D. A. Molitor 887
Procedure handbook of arc-welding design and practice 480
Public works engineers' yearbook 752
Railway interrelations of the U. S. and Canada. W. J. Wilgus 628
Representative hydraulic laboratories. L. J. Hooper 480
Resistance of piles to penetration. R. V. Allin 481*
Science of valuation and depreciation. E. B. Kurtz 1 57
Segmental functions. C. K. Smoley 480
Sewers. Bevan & Rees 157
Statically indeterminate frameworks. R. F. Hickerson 481
Street traffic—city of Detroit, 1936-37 .. 306
Structural bending moments simplified. U. T. Berg 628
Theory of statically indeterminate structures. Fife & Wilbur 306
Trane air conditioning manual. William Goodman 887
Valuation of property. J. C. Bonbright 157
Van Nostrand's scientific encyclopedia .. 628
Water utilization by trees. Olan Raber 158
Boston Society of Civil Engineers:
Ninetieth anniversary meeting n623
Boutelle, T. N., designer of water filters. M. N. Baker 528
Bowie, Dr. William honored by Dutch ... n89
Breakwaters see Shore protection

BRIDGE ACCIDENTS AND FAILURES
Belgium vierendeel welded bridge failure *654
Big Creek Bridge, Calif., destroyed by wind n*315
Florida wooden bridge burned n862
Illinois bridge blown away by windstorm n*606
Los Angeles viaduct partly destroyed by Elysian Park slide. Merrill Butler .. *273
Montana railway bridge washout kills forty-seven n859
Niagara Falls bridge sinks in river n559
Niagara Falls cable and deck salvaged n311
Niagara Falls—ice jam wrecks arch bridge *161, e171
Preston, Idaho: Bus skids and collapses bridge n*128
Texas bridge washout wrecks train n862

BRIDGE DESIGN
A.I.S.C. awards first prize for elevated highway contest n521, e530
A.I.S.C. competition subject is elevated highway design n97, n766
A.I.S.C. makes awards for steel bridge design n892
A.I.S.C. names winners in bridge contest n490
A.I.S.C. presents awards for elevated highway n666
A.I.S.C. selects award jury for student designs n248
A.I.S.C. awards prizes to students n604
Arizona highway bridge practice 548
Bridge engineering in 1937. A. L. Gemeny *233
Curbs on bridges. Burtis Brown 1 737
Elevated highway design competition. H. C. Eipel 1 672
Elevated highway designs. Bernard Holmen 1 562
Girders replace trusses e767
Steel girder suspender link *475

BRIDGE FLOORS
Bridge curb form support *625
Roadways on bridges. E. W. Bowden .. *395 pt. 2 442 correction 458
Bridge insurance. J. L. Harrington 1 254

BRIDGES
Baton Rouge, La.:
Deep piers for new highway and railway bridge *106
Bear Mountain Bridge:
New York State may buy bridge ... n489
Belgium:
Vierendeel welded bridge failure *654
Big Creek Bridge, Calif.:
Wind destroys falsework n*315

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Binghamton, N. Y.:
New Ferry St. bridge rebuilt after flood *613
Brattleboro, Vt.:
Camera details of bridge.....*345
Cairo, Ill.:
Highway cantilever bridge completed. H. J. Engel.....*901
California practices in replacing bridges destroyed by floods..... 720
Cape Cod Canal, Mass.:
Resurfacing the bridges..... 877
Chicago:
Salt Creek bridge form work destroyed by fire..... n7
Torrence Ave. lift bridge.....*292
Easton-Phillipsburg bridge:
Dedication, lighting n*164
Florence-Sheffield, Tenn. bridge:
Substructure contract let.....n449
Flushing River, N. Y.:
New bridges *12
Frederic'on, N. B.:
Transplanted swing span.....n*634
Georgia:
Highway bridge (unit prices) May 12 adv. 22
Germany:
Duisburg bridge being built.....n*166
Groveton, N. H.:
Canadian National Railways' bridge built of precast slabs. R. S. Johnson *539
Hawaii:
Concrete rigid frame bridge on Kauai Is. W. R. Bartels.....*155
Highway bridge, S. C. (unit prices) Feb. 17 adv. 20
Kentucky highway bridge (unit prices) June 23 adv. 12
Leeds, N. Y.:
Replacing old stone arch bridge...n*285
Lift bridge not "ancient." H. S. Loeffler .....l 254
London, England:
Trolleys rerouted during construction n*457
Waterloo bridge corner stone laying in 1925. D. A. Watt.....l 736
Louisiana highway bridge (unit prices), Feb. 24 adv. 22
Low-water log bridge, H. E. McClintock *81
Missoula, Mont.:
Underpass on Harrison St. (unit prices), Apr. 28 adv..... 14
Montreal:
Bridge design n768
Highway bridge contract let..... n87
Neches River:
Steel meets steel.....n*92
Nevada overpass (unit prices), May 26 adv. 22
New York City:
George Washington Approach contract let n553
Bids to be asked on facing.....n415
Contract let for improvements...n733
Henry Hudson bridge to have second deck n*253
Marine Parkway bridge erection, Greene & McKeen.....*371
Roadways on bridges, E. W. Bowden .....pt 1 *395, pt 2 442
Niagara Falls:
Bridge wrecked.....*161 e171 n559
Description of construction of former bridge. R. S. Buck.....*297
Ontario threatens to halt new bridge.n767
Sinks in river.....n559
Wrecked bridge being replaced.....n735
Oklahoma highway bridge (unit prices) June 23 .....adv. 12
Palestine:
Allenby bridge n*830
Parker, Ariz.:
Steel girder suspender link.....*475
Phoenix, Ariz.:
Underpass design for railroad..... 548
Pittsburgh, Pa.:
High Level Bridge fail detail of an expansion hinge *379
Progress in 1937..... 255
Puget Sound, Wash.:
Highway bridge of continuous concrete hollow girders. F. R. Easterday *339
Superstructure (unit prices)..... May 26 adv. 20
Raritan River bridge:
Piers (unit prices).....June 9 adv. 22
Review of 1937..... 208
Rock Is. Ill. toll bridge to be built....n389
Rumford, Me.:
Moving bridge to new foundations...*876
Sacramento:
Railroad crossing overpass on rigid frame bents *111
Railway bridge to be built.....n834
San Francisco-Golden Gate Bridge:
Comments on painting the bridge... 720
One-way traffic on nearly highway enforced by device..... 884
Roebling sues on bridge bands.....n162
75 m.p.h. wind sways bridge.....n311
Timber falsework units used in erection of approaches..... *20
Toll cut increases traffic..... n45
San Francisco-Oakland Bay Bridge:
Comments on bridge work.....*720
East approach (unit prices)..... May 12 adv. 38
Rails start across bridge.....n*195
Railway terminal (unit prices)..... Mar. 31 adv. 12, n*452
Truck toll cut.....n805
Seattle:
Barge tests feasability of pontoon bridge n130
Lake Washington pontoon bridge hearings held n631
Pontoon bridge cost..... n786
Pontoon bridge plan approved.....n381
Proposed pontoon bridge.....n*248
Snake River, Washington-Idaho:
Bridge construction (unit prices).... Mar. 31 adv. 12
Switzerland:
Berne bridge n*832
Thousand Is. bridge:
Design of bridge—correction.....n354
Progress on the bridge.....n*282
Toneka, Kansas:
Highway bridge has 217 ft. girder. Jack Singleton *725
Vancouver, B. C.:
Lions Gate tower.....n*491
Safety nets to be used.....n518
Vermont highway bridge (unit prices).. May 12 adv. 38
Washington, D. C.:
Potomac River bridge replaces old Chain bridge. H. J. Engel.....*651
Brooke Geo. D. appointed president of Chesapeake & Ohio..... n*4

BUILDING ACCIDENTS AND FAILURES

Cincinnati abandoned house collapses..n*45
Ellsworth Pa., building collapses.....n700
Montreal workmen killed in fall.....n834
Phenix City, Ala., two story building collapses n636

BUILDING CONSTRUCTION

Building cost indexes.....June 30 C6
Buildings that express new trends. P. M. Herko .....l 254
Philadelphia to study structural settlement n197
San Francisco exposition buildings speeded by prefabricated walls.....*429
Sawtooth building fronts Abraham Abrams *505
Unit costs of various types of buildings .....June 30 C91
Building design:
Getting the best as arranged in other countries. de Lanzy.....l 562

BUILDING LAWS AND REGULATIONS

Building inspection, Howard Meixner.l 608
New York City building department work is outlined.....n165
San Diego controls building design.... 145

BUILDINGS

Atchison Kan.:
Academy chapel's steel framing erected by crane. G. C. Olsen.....*845
Atlanta:
Auditorium repairs completed.....n486
Batavia, Ill.:
Glass blocks for cosmetic factory...n*91
Boston:
Old South Church tower reconstruction. R. F. Egelhoff.....*334
Boulder, Col.:
University of Colorado's new engineering building. C. L. Eckel.....*469
Cambridge, Mass.:
Chemical factory n*33
Canda:
Newsprint plant completed for Daily News n*732
Cincinnati:
Controlled caisson sinking for new power plant. L. F. Booth.....*897
Cleveland:
Club becomes college.....n*200
Colorado Springs, Colo.:
Hotel plans copper houses.....n121
Denver:
Railway Exchange building has flat slab ceiling of tile and concrete...*511
East Stroudsburg, Pa.:
Dormitory building to have open web framing 778
London, England:
Scaffolding around Houses of Parliament *462
Los Angeles, Calif.:
Hollywood broadcasting building has observation window in fence.....*848
Montreal:
Civic center planned.....n121
New York City:
Apartment collapse suggests designing lateral supports for compression members. G. E. Strehan.....*467
Sawtooth building fronts for apartment. Abraham Abrams.....505
St. Louis, Mo.:
Court house ornamental facia columns carried on girders *682
San Francisco:
Livestock arena carries three hinged roof arches *173
San Francisco-Golden Gate Fair:
Timber frames for six buildings erected *114
San Perdo, Calif.:
Terminal Is. federal jail.....n*765
Sweden:
Gotenborg apartment cellars can withstand bombs n35
Washington, D. C.:
Office buildings recommended.....n638
West Point, N. Y.:
Silver warehouse n*861
Bush, Vannevar named Carnegie Institute head 799

C

CAISSONS

Baton Rouge bridge to have deep piers .....*
Cincinnati Gas & Power plant—controlled caisson sinking. L. F. Booth..*

CANALS

All-American canal:
Connecting plant at Pilot Knob.....*
Crossed by four bridges.....n*
Pilot Knob wasteway.....*
San Diego to vote on canal contract..n
Black Canyon canal, Idaho (unit prices) .....Feb. 17 adv.
Cape Cod canal:
Flow in canal improved by remodeling the ocean bottom. D. F. Horton .....*
Chesapeake and Ohio to be bought by National Park Service.....n
Contra Costa canal Central Valley Project). Bids asked.....w
Construction of first four miles.....*
Gila River Crossing contract let.....n
Desilting nearing completion.....
Siphon (unit prices)... Mar. 31 adv.
Harlem River cutoff channel finished..n
Montreal-New York canal found uneconomic .....
Nicaragua Canal. R. I. Randolph.....l
R. S. Smith l
Arguments against the canal. H. W. Durham l
Arguments in favor of canal. R. S. Smith l
1937 progress .....
Oswego canal, N. Y. (unit prices)..... Jan. 27 adv.
Panama Canal:
Discusion about the canal. R. I. Randolph l
Larger locks planned.....n
Phelps Adams irrigation canal siphon of corrugated iron plate. G. E. Johnson .....*
Capp, John A. dies.....n
Ceilings of flat slabs of tiles and concrete .....*

CEMENT

Basic principles of soil-cement mixtures. Sheets & Catton.....*
Bids called for by federal government are one-sided .....e
Bids for government on new basis.....n
Bids rejected by government.....n604, e
Calibrated mixing water. H. F. Hederich .....*
California federal division asks bids...n
Concrete reinforcing bars ratio to cement production (chart) .....
Federal bids .....n
Federal contracts for cement let in California .....n
Federal projects to be centrally purchased .....n485, e
Florida cement tax is enjoined.....n
Gulf Portland Cement opens new plant in Houston .....n
Identical bids on cement for Reclamation Bureau .....n
Milwaukee awards cement contract....n
Milwaukee halts cement buying.....n
Reclamation job buying handled by Treasury Department .....n
Relation of cement production to reinforcing bar production. George Lyman l
Small lots of cement bought from dealers .....n
Testing cement mortars in sea water. T. E. Stanton, Jr. .....*
Texas manufacturers charged with price fixing .....n
Treasury asks for bids on low heat cement .....n
Treasury Department receives few bids.n
Chevalier, Willard, made publisher of Business Week .....n

CHIMNEYS

Gin pole erects steel stack. R. C. Taylor .....*
Weld for steel stack.....*
Welded stack design. M. G. Probst....l
China finds engineering work crippled and permanent structures destroyed. O. J. Todd .....*
Chlorine makers charged with restraint of trade .....n

CITIES

Canadian cities receive improvement loans .....n
Civil service facilities on contract basis in California .....
Maine insolvent towns taken over by finance board .....n
Municipal bankruptcy act upheld by Supreme Court .....n
Service costs rise in large cities.....21, 1
City manager:
City manager plan of government shows steady growth .....
San Diego city manager reports on affairs .....e
Clamp for lifting timbers. H. L. Schlubach .....*

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

COFFERDAMS

Conchas Dam cofferdam layout for river section *808
Grand Coulee Dam—cofferdam removal. R. J. Jenks *677
Pressure on cofferdam walls measured by stabilometer. Seibert & Palmer... *813

COLUMNS

Plotting column steel curves. J. R. Bole *268
St. Louis court house ornamental facia columns carried on girders *682
Tests under eccentric load (A.C.I. meeting) 375

CONCRETE

A.C.I. meeting report *374
All-American canal concreting plant... *896
Army engineers in Rock Is. district produce new data on lock and dam concrete. J. L. Rohwedder *262
Buffalo plant uses special rigs to speed concreting on circular sewage tanks.. *338
Cleaning concrete surfaces to ensure bond. Daniel McFarland 682
Column formulas. B. M. Dack 1 562
Curing compounds (A.C.I. meeting) 376
Dry ice freezer for concrete. W. B. Ivie. *682
Finishing a concrete floor *506
Forms—footing with upset. W. T. Wright *344
High-strength reinforcing. D. B. Steinman 1 390
Jack for stripping forms. Daniel McFarland *504
S.P.E.E. conference on structural practice in steel and concrete n800
Specific gravity test. J. E. Bass 505
Spray nozzle for concrete curing moistroom. R. W. Abbett *625
Temperature changes in mass concrete (A.C.I. meeting) 374
Testing cement mortars in sea water. T. E. Stanton, Jr. *400
Tests of columns under eccentric load (A.C.I. meeting) 375
Tremie concrete. Wagner Hertz 1 492
Unit costs and quantities for concrete and earthwork. June 30 ..... C94

Conduits:

Council Bluffs, Iowa prevents floods by putting creek into a conduit. C. B. Burdick *471

Connecticut Society of Civil Engineers:

Hartford meeting n423
Hartford meeting discusses flood control. *439

CONSTRUCTION

Construction expenditures. W. S. Parker 1 323
Cost index for construction. June 30.. C4
Costs steady after sharp rise in 1937. *216
E.N.R. construction volume 3, 93, 127, 163, 283, 317, 357, 385, 419, 453, 523, 557, 603, 667, 699, 797, 829
Expenditures for construction. D. C.
Expenditures for construction. D. C.
Investment for construction in 1937 ..... *215
Miscellaneous overhead costs. June 30. C96
1937 construction gains, costs rise *211
Red-ink reflections e101
Review of 1937 developments in construction 201
Volume and distribution of construction. June 30 ..... C1
Wage rates and trends. June 30 ..... C84
Construction cost guide ..... June 30 issue

CONSTRUCTION EQUIPMENT

"Cherry pickers" on truck 278
Compacting cohesionless material for Franklin Falls dam. R. M. Strohl.... *850
Compressor unit *435
Concrete vibrator manufacturer charged with misrepresentation n735
Cotton-laying cart. F. G. Greulich *78
Crane erects steel framing for chapel of academy in Atchison. G. C. Olsen.... *845
Drain pipe formed in ground by German device n*766
Dredge bucket *735
Edge cutter for asphalt roads. A. P. Child *505
Equipment costs and rentals. June 30.. C88
Equipment makers victims of check swindler n165
Elevating grader cuts backslopes. F. S. Claus *278
Flange angles in pyramid hopper. Herbert Simon *476
Forge from old rims *435
Gage for capping concrete cylinders. M. E. Prior *790
Jack for stripping forms. Daniel McFarland *504
Mall Tool Co. denies F.T.C. charge n735, n802
Pasadena Water Department's home-made shop aids *304
Pinchers for pulling sheetpiles. H. L. Schlubach *848
Plows to turn six foot furrows *886
Review of construction equipment. H. W. Richardson *146
Roadbuilding equipment trends 61
Subgrading machine for highways *79
Tapping machine for pipes *261
Tractor and boom make crane *790
Traveler for placing concrete to pier shed. W. C. Brown *849
Truck to carry sewer pipe half-sections. H. L. Henchey ..... l *493
Turnbuckle tightener. H. L. Schlubach. *791

CONSTRUCTION MATERIALS

Basic building materials prices in New York City. June 30 ..... C75
Bituminous emulsion sale does not infringe patent n6
Bureau of Standard asks time extension on material study n318
Cost trends mixed (chart) 731
Costs steady after sharp rise in 1937. *216
Dealers' association ordered to desist from certain trade practices n2
Defective brick specifications. J. A. Munroe ..... l 765
F.T.C. halts prices fixing in metal windows n97
Granite and terra cotta. J. J. Stein ..... l 769
Mexico imposes tariffs on materials.. n199
Prices on construction materials. June 30 ..... C75
Rock cork is not cork. P. C. Bunker l 835
Survey of roadbuilding materials—symposium *64
WPA plans for purchase of materials.. n893

CONTRACTORS

Bids:
Bill to halt bid-shopping vetoed n892
Brooklyn lathing contractors plead guilty to insurance fraud n451
Cost-keeping system for small contractors. C. V. Hobaugh *433
Labor and material bonds required in New York n456
New York contractor fined for violating silicosis act n831
1937 construction problems. E. P. Palmer 229
Tax on Bonneville contract upheld by Supreme Court n167
Taxes on the contractor. C. H. Howell. l 391

CONTRACTS

Bond protection needed ..... l 132
E.N.R. reports construction contracts. 2, 41, 93, 162, 316, 486, 634, 763
Public works need contract insurance.. e49
Cooper, Dexter P., engineer, dies n198

D

DAMS

Alcova Dam:
Completion n*668; *700
Water storage begun n417
Algeria:
Rockfill dam substructures. L. Gutmann *749; e738
Alton Dam:
Lock builder sues government ..... n 704
Arkport Dam:
Bids delayed by revised wage scales.. n561
Contract for dam awarded n638
Flood control dam approved n97
Arrowrock Dam:
Refacing the dam n*599
Austin Dam:
Lease approved by voters n92
Bartlett Dam:
Flood results 548
Bonneville Dam:
Cost of dam and power plant allocated e257
Fishways pass 34,000 fish n863
Fishways successful n733
Lock gates *292
Navigation begins through lock.... n*162
Power cost allocated n247
Power rates approved by F.P.C. n828
Power rates set n701
Power rates to be fixed soon n131
Robins leaves; Lee succeeds n457
Supreme Court upholds tax on contractor n167
Boulder Dam:
Citizens Utility of Minneapolis contracts for power n355
$2,000,000 returned to treasury n7
Brokaw, Wis.:
Dam breacks and carries away hydro plant n767
Buckley, Wash.:
Proposed flood control dam n766
Chickamauga Dam:
Foundations of the dam. Thayer, Bock ..... l 562
Conchas Dam:
Brief description of dam 512
Concreting plant for dam *811
Foundations of dam constructed on difficult rock *807
Crooked Creek Dam, Pa.:
Bids are opened n33
Earth fill dam (unit prices) ..... Jan. 20 adv. 22
Deer Creek Dam:
Bids asked n40
Contract let n518
Denison Dam:
Army engineers approve dam and reservoir n420
Emsworth Dam, Ohio:
Reconstruction soon to be completed n*126
Fort Peck Dam:
Barge turns amphibian n*703
Dredging progress breaks records... n7
Dredging started for 1938 ..... n554
Power bill action soon 561
Power bill approved n639
Steel hoisting chains for flood gates.. n*89
Fort Supply Dam:
Oklahoma City rejects bond issue second time ..... n*
Foundation failures of dams are costly. e*
Friant Dam:
Site acquisition delays dam n193
Friar's Is. Can.:
Contract for dam awarded n159
Franklin Falls Dam:
Compacting cohesionless material. R. M. Strohl *850, e827
Gallipolis Dam:
Dedication of dam n*863
Recently finished *560
Gilbertsville Dam:
Appropriation for dam dropped by House n420
Design and description of the project. C. A. Bock *492
Flood benefits questioned. T. T. Knappen ..... l 608
Freeze ground around test pit n747
House reconsiders appropriation n607
Project was planned carefully. C. A. Bock ..... l 705
Provision for dam dropped from appriation n91
Senate approves fund for dam n321
Gillespie Dam:
Flood peak at dam 548
Grand Coulee Dam:
Clay sticks in trucks 344
Cofferdam removal. R. J. Jenks.. *677
Contract let for high dam n164
Contractors buy large cranes n631
Gate contracts let n695
High dam gets under way n*762
Interior Construction Co. changes its name n286
Low dam finished n*193
Penstock contract let n196
Pulling sheetpiles underwater. H. L. Schlubach *848
Side clamp for lifting timbers. H. L. Schlubach *683
Valve sections n*636
Welding trash racks *632
Grand River Dam:
Oklahoma court upholds legality of project n199
Project must have license n311
Keystone Dam:
Fused ceramic material for riprap. D. A. Buzzell *787
Spillway model. D. A. Buzzell *542
Marshall Creek Dam:
Cause of dam failure *421; e426
Kansas City dams to be rebuilt with WPA aid n321
Kansas City recreation dam failure.. n281
WPA to rebuild collapsed dam n601
Marshall Ford Dam:
Cement bids rejected n199
Cement contract let n387
Engineers exchanged with Parker Dam n43
Night work at dam n*734
Miami, Ohio:
Recreation dam built in Miami reservoir. C. H. Eiffert *137
Mount Lake State Park, Minn.:
Earth dam fails 698
Muskingum District:
Dover Dam near completion n*42
Norris Dam:
Cost of TVA dams is allocated n859
North Fork, Calif.:
Concrete arch dam (unit prices) ..... June 9 adv. 22
Parker Dam:
Concrete work nears completion.... n*247
Engineers exchanged with Marshall Ford Dam n43
Nears completion n*767
Reservoir to be flooded soon n*598
Topping out the dam with concrete. *690
Pensacola Dam:
Bids advertised n669
Bids to be asked in May n519
Preliminary plans (Unit prices) 465
Pickwick Dam:
Dam near completion ..... Mar. 17 adv. 28
Pine View Dam:
Grouting under an earth dam n*556
Polson Dam:
Hydro electric dam completed *15
License limits lake lowering n*670
Possum Kingdom Dam:
Bids opened n735
Construction contract let n92
License granted with restrictions n522
License modified by F.P.C. n729; e804
License ordered n833
Prairie Lee Lake Dam:
Foundations unsafe and torn down.. n703
Quabbin Dam:
Earth handling by conveyors and hydraulics. F. W. Gow n421
Roosevelt Dam:
Alterations nearly complete *709
Ruby Dam:
Design of dam. Lars Jorgensen 548
Seminoe Dam:
Construction of dam 19
Gate contracts let n*801
Power rate set n695
Shasta Dam:
Bids asked n669
Bids for tunnel called for a third time n525
Bids postponed again n489
Bids received n455
Construction (unit prices) n795
June 16 adv. 16

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Description of project.....*647
Diversion tunnel (unit prices).....
May 12 adv. 38
Ralph Lowry transferred to Shasta..n631
Shoofly tunnel contract awarded....n702
Tunnel bids received.....n559
Warehouse bids opened.....n833
Stony Gorge Dam:
Ambursen Dam Co. allowed claim for changed plan.....n387
Tionesta Dam, Pa.:
Earthfill dam (unit prices).....
Jan. 20 adv. 20
Vallecito Dam:
Contract awarded 380
(Unit prices).....Mar. 10 adv. 28
Wagner Dam, Wash.:
Irrigation dam fails.....n602
Watts Bar Dam:
Site of dam explored by calyx drills boring through cofferdams. H. R. Johnston *436; e426
Wheeler Dam:
Cost of TVA dams is allocated.....n859
Whitney Point, N. Y.:
Flood control dam approved.....n97
Wilson Dam:
Cost of TVA dams is allocated.....n859
Wyandotte County Dam see Marshall Creek Dam
Derrick, floating, to dock oil still. G. F. Hayes *680
Drawings:
Air brush stipples tracings. F. J. Herring *434

DREDGES AND DREDGING

Dredging, Va. (unit prices). May 26 adv. 22
New York City dredges with world's biggest dredge n*95
Drills:
Rock drill dust control. G. S. Kelly.. 1, 9, e11

DRYDOCKS

Pressure on cofferdam walls measured by stabilometer. Seibert & Palmer..*813
Singapore British graving dock.....n*287

DUST

Contractors' dust control tests. F. W. Stiefel 198
Rock drill dust control. G. S. Kelley.. 1, 9, e11
Wet drilling for silicosis control.....418
Wet vs. dry dust control. J. H. Markley 146

E

EARTH FILL

Quabbin Dam earth placed by sluicing and conveyors. F. W. Gow....*703, e706
Unit costs and quantities for concrete and earthwork. June 30.....C94

EARTHQUAKES

California studies fault noises as possible earthquake warnings. W. D. Patterson *626, e610
Los Angeles protecting buildings against earthquakes 689
Edison Memorial Tower.....n*97
Edison Memorial Tower construction.....*758
Edward, Dean G., named Manhattan consultant n602
Electric railways:
San Francisco-Oakland Bay Bridge terminal n*452
San Francisco-Oakland Bay Bridge railway terminal (unit prices. Mar. 31 adv. 12
Electrical transmission:
Bonneville Dam transmission lines approved n639
Engineering:
China finds engineering work crippled and permanent structures destroyed. O. J. Todd *645
Review of 1937.....203
Engineering Institute of Canada:
Annual meeting n197
Program for consolidating the profession associations 721, e706
Report of London, Ont. meeting.....276
L. A. Wright named general secretary.n519
Engineering Society of Detroit:
Planning new building.....n90

ENGINEERS

Another young man's position. H. M. Hunter 1425
Engineer's position. G. E. Woodward..1289
Fees:
Mississippi and Ex Drainage District need not pay engineers.....715
Free engineering. Weston Givett.....1459
Kansas county engineers' salary.....n92
Licensing:
Kentucky requires registration.....n517
License law changes. E. E. Keller 1640
Louisiana pushes professional license.n765
New York State FHA to license engineers n631
Pittsburgh engineers fight unlicensed official n730
Reciprocal licensing in Northwest..n730
Rhode Island requires licenses.....n639
Washington, D. C. bill introduced.....n517
Engineers Guild to be formed by British engineers n802
Ennis, Lawrence, bridge builder, dies.....n732
Erosion:
Conservation and erosion in Arizona and West Mexico and Conchas Dam..... 512

EXPOSITIONS

Glasgow's Tower building.....*868
New York Worlds Fair:
Building to be devoted to railroad exhibits n45
Diorama being constructed.....n*730
Federal government's exhibit section.n*316
Home building center planned.....n631
Stainless steel dome for building....n*602
San Francisco-Golden Gate Fair:
House design contest planned.....n91
Prefabrication speeds wall erection..*429
Timber frames for six buildings erected *114

F

Fairs see Expositions
Federal Power Commission:
Reports increase in power production..n200
Survey of Fort Worth electric distribution system to be made.....e771
Federation of Sewage Works Assn.:
Now financially independent.....n130
Filing systme for blueprints. J. W. Silliman 378
Fires on water from floating oil quenched by bomb. F. R. Cozzens..... 791

FISHWAYS

Bonneville Dam fishways function successfully n*733
Bonneville fishways pass thirty thousand fish n863
Salmon pass Galloway plant. James Williamson 792, e770

FLOODS AND FLOOD PROTECTION

Allotments for flood projects.....n892
Appropriation bill passed by House....n602
Appropriations increased in House bill.n556
Big Stone Lake level restored by Whetstone River diversion.....*182
California flood area approaching normal 1386
California flood damage.....n131
California flood debris being cleared.. n454, e460
California Orange County flood control ready to start.....883, e866
California road damage from flood.....n663
California storm toll estimated at irrigation meeting n418
Connecticut compacts approved by Senate n454
Connecticut River recommended for flood works n356
Costs of floods to be financed by government n862
Council Bluffs, Iowa prevents floods by putting creek into a conduit. C. B. Burdick *471
East Pittsburgh plant protected by flood gates and pumping plant. J. E. Webster *820
Flood control bill passes House.....n729
Flood control bill reported.....n698
Flood control policy to be modified....n96
Floods and flood control in 1937. T. T. Knappen 239
Gilbertsville navigation and flood control. C. A. Bock.....*497
Grand River project in Oklahoma.....465
Kansas flood wall (unit prices).....
May 19 adv. 20
Los Angeles flood report recommends channels n830
Los Angeles flood results.....689
Louisville flood damage.....n159
Muskingum project to carry out limited conservation n602
National Resources Committee presents revised plan for water use and control 447
New England compacts discussed by governors and president.....n130
New England flood compacts discussed at Connecticut meeting.....439
New England flood control costs may be met by government.....n162
1937 progress 221
Planned flood control.....e739
Rockford, Ill. flood from ice jams....n*198
South California coastal plain flooded. N. A. Bowers.....n*349, e359
Verde River flood. C. S. Jarvis.....l*641
Verde River flood results.....548
Vidalia, La. to be moved.....n759
Water record of 1937. J. C. Hoyt.....*227
Westinghouse Electric & Mfg. Co. at East Pittsburgh protected against floods n*353
Willamette River flood control approved by Army engineers n420
Yellow River floods recede.....n864
Floods and flood protection see also Mississippi River

FLOORS

Clay tile floor system. E. E. Seelye....*745
Finishing a concrete floor.....*506
Forests and forestry:
Congress orders survey of forest resources n861
Shelter belt planting increased..... 434

FOUNDATIONS

Conchas Dam foundations constructed on difficult rock.....*
New York airport built on muck base with ash fill.....*779, e
Soft ground for foundations. C. S. Proctor .....
Watts Bar dam site explored with drills boring through cofferdams. H. R. Johnston .....*436, e

G

GARBAGE AND REFUSE DISPOSAL

Baltimore adopts municipal refuse collection .....n
Charleston, S. C. incinerator operation. J. H. Dingle.....*
Detroit incinerator put in operation....n
Fresno's garbage plan succeeds.....*
Garbage cans sterilized with steam in Lansing, Mich. .....*
Greenwich, Conn. incinerator contract award enjoined .....n
Lansing, Mich. sewage treatment plant grinds garbage and digests it with sludge .....*
Milwaukee waste disposal cost.....
Power from refuse incinerators. F. C. Holbrook .....*
Gates:
Flood gates protect East Pittsburgh plant. J. E. Webster.....*
Gelineau, Victor, dies.....n
Geology:
Foraminifera literature being catalogued

GRADE CROSSINGS

Accidents continue to increase.....n
Data on grade crossings collected by Virginia survey .....
New York measure proposes cost revision .....n
Oregon hearing presents sketches to show improvements .....*
Pedestrian underpass, Mass. (unit prices) May 19 adv.
Sacramento railroad overpass on rigid frame bents .....*
Underpass, Calif. (unit prices) underpass, Colo. (unit prices)...Jan. 27 adv.
Grover, Lee, honored for New Jersey highway service .....n*

H

Hackett named president of Thompson-Starrett .....n

HIGHWAY ACCIDENTS

A.R.B.A. submits program for highway safety .....
Bureau of Public Roads reports on accidents .....
Los Angeles highway overpass damaged by land slide.....
More road accidents. S. J. Williams..
State held responsible for road obstruction .....n

HIGHWAY ADMINISTRATION

California to vote on changes in highway commission .....n
Connecticut commissioner resigns.....
Connecticut court examines road jurisdiction .....n
Connecticut highway commissioner replies to public works commissioner..n
Connecticut highways in charge of Macdonald .....n
Connecticut settles road jurisdiction...n
Missouri employees road pay assessed for campaign fund.....n
Ohio engineer fired by governor.....n
Ohio engineer granted show-cause order.n
Ohio highway department under investigation .....n

HIGHWAY CONSTRUCTION

Advances in surfacing methods—symposium .....*
Basic principles of soil-cement mixtures. Sheets & Catton .....*
Chart tells volumes of voids and of soil mortar for soil stabilization. R. W. Miller .....*
Chart tells volumes of voids and of soil mortar for soil stabilization. R. W. Miller .....*
Cost trends. June 30.....C
Cotton in roadbuilding. Lawrence Myers .....*
Drainage practices discussed by A.R.B.A. .....
Foundation experiments in replacing part of Lincoln Highway.....
Gary, Ind. two pavers working together speed paving on two lane road..*463, e
Grading operations multiplied. J. H. Harrison .....
Lansing, Mich. improves streets with oil aggregate surface mixture.....*

Miami, Ohio, recreation dam and park in Miami reservoir. C. H. Eifert *137
Patents:
Bituminous emulsion sale does not infringe patent n6

PAVEMENTS
Device to measure core depth. W. H. Mills, Jr. *117
Dickson, N. D. paving (unit prices) ..... Feb. 17 adv. 22
Lansing, Mich. improves streets with oil aggregate surface mixture *501
Paving brick test data discussed at National Paving Brick Assn. meeting 119
Portchester, N. Y. in repaving streets cuts rail heads instead of removing base *438
Split header avoids cutting reinforcement for center joint. R. H. Wood
Survey of roadbuilding materials—symposium
Texas tests clay subgrades. Julia Montgomery
Weehawken, N. J. paving (unit prices) ..... Mar. 10 adv.

PILES AND PILING
Cutting piles by blasting. B. F. Perry
Grout capping. Manley Stegeman
Jack setup for pile test. R. C. Brinkerhoff
Piledriver for small foundations. W. J. Krebs
Piledriving in debris fill. W. C. Piet

PIPES AND PIPELINES
Analyzing flow in pipe networks. G. M. Fair
Baltimore tests pipe joint strength. Leon Small
Bayonne, N. J. pipeline (unit prices) ..... May 26 adv.
California strengthens old steel pipe with concrete
Cement lined cast-iron pipes
Cork insulation prevents water pipe from freezing
Denver sewage treatment pipe self-supporting across river. B. G. Norfolk
Fiber water pipe. W. S. Pardoe
Flow of water through pipe bends
Hose joint plug
Keeping grade line taut. Gordon Dinsmore
Montana pipe replacement (unit prices) ..... Jan. 27 adv.
Pasadena checks pump hum in water pipes
*Pipe cost trends in Kansas City, Mo. by years. June 30
Steel pipe lining, N. J. (unit prices) ..... Apr. 28 adv.
Very large pipe. R. C. Hansen
Large wood pipe. C. S. Selman

PLANNING
Houston zoning commissioners resign n561
Mansfield-Rankin bill n5, n451
Many cities found to be over-zoned n567
New Jersey Supreme Court approves delegation of planning power to municipalities n490
New York City:
East side to be rezoned n337
Planning board to be headed by Tugwell n527
Planning Commission presents plan n561
Ottawa general plan approved by government n345
Retroactive zoning law proposed for district of Columbia n490
Wythenshawe, England, offers lesson for planners 503

PLYWOOD
Heavy plywood for gusset plates studied in the laboraory. Beckert, Hanrahan & Smith *502
Laboratory tests on structural plywood H. A. Williams *502

PORTS AND HARBORS
Allotments for river and harbor projects n502
Hueneme, Calif. harbor voted n766
Peru lets harbor contract n127
River and harbor bill n502
River and harbor bill approved by House n667

POWER AND POWER PLANTS
Arkansas-Louisiana Gas denied increase in rates n555
Chattanooga, Tenn. municipal plant suit appealed n561
Chattanooga, Tenn. suit appeal by Tennessee Electric Power dismissed by Supreme Court n561
Cities may build power plants with PWA funds n1, n561
Columbus plans extensions for municipal light plant n561
Ft. Worth, Tex. electric system cost to be estimated by FPC n561
Grand River project in Oklahoma n561
Indianapolis Water Co. provides window for bill payment after hours n*561
Knoxville to be financed by RFC to buy Tennessee Public Service n561
Little TVA outlawed in Wisconsin n561
Memphis gets PWA money for municipal power n561
Missouri ouster suit filed against utility n561
Nebraska power and irrigation districts to buy ten utility companies n*561
Niagara Falls case questions New York State Power Authority's ability to intervene n561
Oil, not water power, is coal competitor n561
Oregon power disrict defeated by voters n561
Plant maintenance e561

New York City Tallmans Is. plant n122
Niagara Falls sewage plant n*196
1937 progress *219
Plant maintenance 28
Profit from sewage treatment. Whitehead, Zack ..... l 132
Review of 1937 210
Salvage from sewage. Babbitt, Gascoigne, Veatch, Velz 18, Eddy, Jenks. l 98
Salvage from sewage. J. H. Garner. 305
Salvage from sewage appraised. M. N. Baker 147; F. E. Giesecke ..... l 147
Servicing the DeKalb, Ill. sludge digester tank 269
Soaps, lubricants and pitch processed from sewage grease 406
South Dakota bulletin recommends cleaning up plants in warm weather. 655
Survey of sewage treatment in 1937. G. B. Gascoigne 238
Tonawanda, N. Y. must have sewage plant by 1940 ..... n381
Twin City plant opened n701

SEWERS
Buffalo ex-mayor guilty of bribery in connection with sewer project n765
Buffalo mayor charged with sewer fraud n387
Buffalo sewer project to have extension of time n559
Cambridge, Mass. sewer maintenance .. 406
Carmel, N. Y. sewers (unit prices) ..... Apr. 28 adv. 12
Concrete in closed chamber protected against gas at Coronado Beach, Calif. *659
Dump trailer aids in sewer maintenance. *435
Harrison, Ark. sewers on trial agreement n95
Los Angeles sewer stoppages cut 90 per cent *370
Los Angeles sewer trap sampler 586
Los Angeles sewers automatically flushed by water controlled by jet meter *587
Los Angeles tests for gas in sewers with special truck *504
Louisiana sewers (unit prices) ..... Jan. 27 adv. 20
Memphis intercepting sewer started ... n96
Memphis sewer tunnels (unit prices) ..... Feb. 24 adv. 20
Montreal must pay damages for not building sewer n87
Paging sewer experts. A. F. Rideout. l 705
Parkway sewer, Detroit (unit prices) ..... June 9 adv. 22
Relief sewer ends river pollution in Massachusetts. T. A. Berrigan *140
Relief sewer speeded by special truck. H. L. Henchey l*493
St. Louis sewers (unit prices) ..... Mar. 10 adv. 26
Sand traps for sewers *470
Sewer-rental procedure (A. W. W. A. meeting) 723
Ventura, Calif., ocean outfall (unit prices) ..... May 26 adv. 22
Ships and shipping:
Streamlined river boat n*698

SHORE PROTECTION
Beach and coast erosion discussed at A.S.C.E. meeting 657
Beach-erosion studies made in wave tank built at Washington *302
Breakwater, La. (unit prices) ..... May 26 adv. 20
Studies of beach erosion. E. I. Brown. *299

SILICOSIS
Contractors' dust control tests. F. W. Stiefel ..... l 98
Contractor fined for violating silicosis act n831
Moving picture will show effects of silicosis n312
Overlooked dust hazard. Charles Caulfield ..... l 391
Quarry labor agreements call for dust control n355
Rock drill dust control. G. S. Kelley ..... l 9, e11
Wet drilling for silicosis control 118
Wet vs. dry dust control. J. H. Markley ..... l 46
Wisconsin's experience in administration of silicosis compensation 22
Ski slide in Los Angeles n*355
Society for the Promotion of Engineering Education Conference on structural practice in steel and concrete n890

SOIL MECHANICS
Apparatus for determining particle-size distribution of soils. W. W. Niven, Jr. *515
Basic principles of soil-cement mixtures. Sheets & Catton *869
Compacting cohesionless material for Franklin Falls dam. R. M. Strohl .. *850, e837
Developments in soil knowledge in 1937. Glennon Gilboy *241
Device to obtain average core length. H. F. Hedderich *76
Egg beater for soil samples *476
Estimating earth pressures. N. M. Newmark *23
First International Conference .. l 288, e291
Measuring pulverization of filler soil. T. V. Benker *77
Planning for soil mechanics conference. C. S. Proctor ..... l 458
Pulverizing soil samples. R. R. Litehiser *309
Research aids increased. E. F. Kelley. *70
Sediment measurement laboratory .. n*597
Silt transportation course offered at Iowa U. n96
Soil survey by stabilometer. Seibert & Palmer *813
Soil tamp for Proctor test *378
Stadiums:
San Francisco livestock arena carries three hinged roof arches *173
Strauss, J. B., engineer, dies n702

STEEL
Beam shear depends on net area. Mount & Welch *546
Cold twisting of steel. I. F. Morrison .. l 528
Structural fatigue e136
Structural steel test as reported by University of Illinois 653

STREET TRAFFIC
Los Angeles traffic solutions sought 689
Memphis and Massachusetts win in safety contest n597
National Safety Council contestants to receive traffic scholarships n95
Parking:
Cities acquire central parking lots ... 854
Meter operation in Mexico City 822
Meters tried in Washington, D. C. n489
Review of 1937 210
Streets:
New Orleans not held liable for sidewalk break n863

STRESSES
Interpreting data from strain rosettes. Beggs & Timby *366, e358
Strain gage calibration. W. C. Aber. .l*673
Strain rosette technique. Beggs & Timby ..... *404, Mindlin l 492

STRUCTURAL DESIGN
Designing lateral supports for compression members. G. E. Strehan *467
Influence lines. L. K. Oesterling ..... l 322
Influence lines by moment distribution. F. Kruys *112
Plotting column steel curves. J. R. Bole *268
Progress in design studies. H. E. Wessman ..... l 288
Progress in structural knowledge. H. D. Dewell 231
Relaxation of constraints. D. C. Williams ..... l 289
Strain gage calibration. W. C. Aber. .l*673
Strain rosette technique. Beggs & Timby *366, e358, *404
Strain rosette technique. Mindlin ..... l 492
Strength of materials study planned at M.I.T. n483
Wind velocity. S. D. Long ..... l 459
Subsidence:
Santa Clara Valley lowlands subsidence. n*10

SUBWAYS
Brussels constructs six-track subway .. 662
London subway concrete lining n*701

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

London subway to be lined by precast concrete n525
New York City-Brooklyn-Queens crosstown subway contractor wins big claim n6
New York City-Independent subway alterations at Queens Plaza (unit prices) ..... Jan. 20 adv. 20
New York City-Independent subway bids asked n865

SURVEYS AND SURVEYING

Aerial camera survey to be made in Alaska 819
Calculating deflection angles for highway curves. J. J. Rettinger 849
Closure of levels circuit. R. C. Bimker. *345
Connecticut boundry surveys discussed at meeting 440
Correcting closure error. G. C. Commons *504
Finding curve ordinates—parabola solution. C. W. Deans l*529
Highway location au rhum. R. P. McGrath ..... l 322
Historical maps of country authorized by Congress 845
Inch change opposed by surveying teachers n452
Keeping grade lines taut. Gordon Dinsmore *719
Land descriptions. E. O. Stephenson .. l 99
Parabola solution. C. W. Deans ..... l 705
Plane table on truck *477
Stadia rod, easy reading. H. K. Palmer *378
Sadia technique. M. R. Eva ..... l 133
Stadia technique. F. V. Glidden ..... l 255
Tape calibration. G. D. Whitmore *624
Vertical lift wall map *624
Swiss Society of Engineers and Architects celebrates centenary. A. J. Buhler *310

T

Talbot, Arthur N., honored by having laboratory named after him *618, e611

TANKS AND STANDPIPES

Beach erosion studies made in wave tank built at Washington *302
Buffalo plans uses special rigs to speed concreting on circular sewage tanks .. *338
Expansion joints in concrete tanks satfactory in Sacramento water pretreatment plant. H. D. Dewell *687
Holland, Mich. improves water service with tank *571
Marin, Calif. water tank leak stopped by clay caulking *586

TAXATION

Arkansas suit tests legality of taxing PWA material n799
Bonneville contractor tax upheld by Supreme Court n167
Canada may drop sales tax on building material n891
Exemptions prove profitable for cities and states 540
Illinois builders exempt from retailers tax n91
Indiana may tax state and municipal bonds n703
Port of New York Authority salaries taxable n729

Telescope:
Horseshoe bearing for Mt. Palomar telescope n*319

TENNESSEE VALLEY AUTHORITY

Case of 18 utilities to be settled by Supreme Court n703
Chattanooga court upholds constitutionality of TVA n125
Cost allocations n859, e867
Directors' feud stirs Congress .. n352, e359
18 utility companies appeal decision upholding TVA n560
Engineers promoted n668
Investigating committee named .. n490, e494
Investigating committee select chairman n638
Investigating committee voted more funds n861
Investigation appropriation not increased n893
Investigation voted by Senate n455
Investigators hear directors n764
Knoxville and TVA offer to buy Tennessee utility n700
Last committeeman named for investigation n556
A. E. Morgan dropped as head p420
A. E. Morgan favors regional control of water development n130
No more TVA's e427
Norris asks investigation n4
Power sale contracts n668
Senator Norris agrees to probe n*383
Tennessee Electric Power purchase conference n167
Tennessee Public Service to be sold to TVA and Knoxville n732
Tennessee Public Service, TVA and Knoxville study purchase of company .. n352
To negotiate utility purchases n131
